

SPONSORSHIP OPPORTUNITIES

FOR FAMILY BUILDING PROFESSIONALS

NON PROFIT COMPANY REGISTRATION NUMBER: 2013/179516/08

SHOW THE INFERTILITY COMMUNITY YOU SUPPORT IFAASA

Millions of South Africans are diagnosed with an invisible disease that leaves them feeling vulnerable and contemplating a future they never thought they would have to. Infertility challenges those diagnosed physically, emotionally and financially.

Join IFAASA as a sponsor and showcase your support for women and men living with infertility by supporting the non-profit organisation advocating for them.

By sponsoring IFAASA you will help support South Africans living with reproductive health issues through education, research and advocacy, and to educate the public about reproductive disease.

IFAASA connects the infertile to others who can help; empowering everyone to find resolution; and giving a voice to the challenges of accessing all family building options.

IFAASA's goals for 2016/2017 are to:

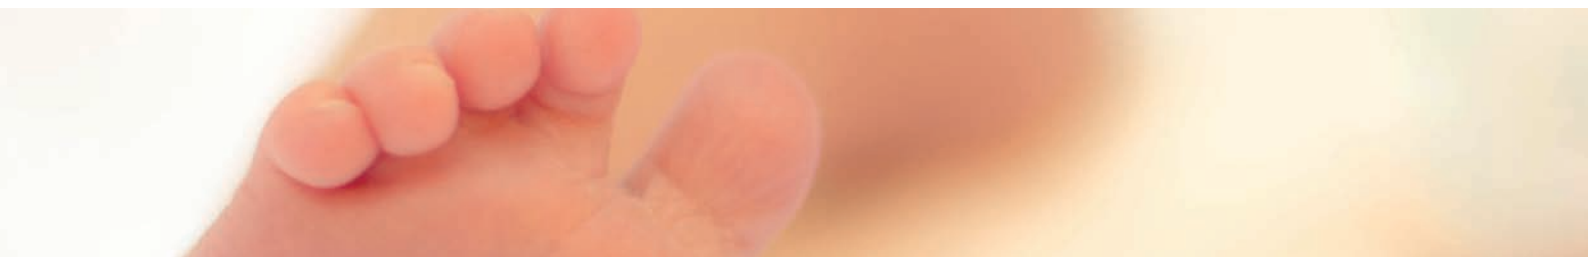

- Actively advocate and lobby with medical aids to offer treatment cover for infertility;
- Educate the infertile patient about family building options through information seminars and in so doing create a supportive community for patients;
- Participate in research that would ultimately improve the quality of lives for couples going through ART.

IFAASA also sends out a quarterly newsletter to its members encompassing a wide range of topics around infertility.

In supporting IFAASA you will also realise the benefits of positive exposure to the IFAASA community, recognition for your efforts, increased brand awareness, and an opportunity to influence your client base.

Become a Strategic sponsor of IFAASA - R 15 000 per annum

- Your logo and direct link to your website will appear on IFAASA's home page as a sponsor
- Insert the IFAASA logo into your news platforms and show you are a proud sponsor of IFAASA
- Recognition of your organisation as a sponsor of IFAASA will appear in our quarterly newsletter
- Acknowledgement of our strategic sponsors at patient conferences.
- Recognition as a partner in one of IFAASA's annual projects. Your logo will be linked to the projects on-line initiatives, newsletter, infographics and pamphlets. Examples of IFAASA's projects are:
 - o Reproductive Health Month
 - o Oncofertility
 - o Public information seminars
 - o Research projects
